- 7- Jonathan, Donald, Michelle, Kieran
- Staff- Ms. Hansen, Ms. Willis, Mrs. Carpenter, Mr. MacDonald

Panagao Monthly Winner:

Jonathan

Field Trips:

A number of field trips have been planned for this month or have occurred. Thank-you to the PAC for their generous donations to the field trip fund! Please ensure consent forms have been signed and student schedules are kept up to date.

Last Day/Week:

We will be having our last day of school on Thursday, June 28. Students will be given their final reports on this day. We will also be having an awards day and everyone is welcome to attend although the awards will be for the intermediate students. We also recommend that students bring a reusable bag on Tuesday or Wednesday of the final week so they can bring their supplies home.

Lost and Found:

Please check the lost and found! We are starting to accumulate a number of clothing items, especially jackets.

District Track Meet:

The district track meet will take place on June 14th at Kent. The Silver Creek team will consist of grade 4 to 7's who try out and make the team in the various events. The events include: high jump, long jump, shot put, baseball throw, 100 m run, 400 m run, and the relay race. Each student who attends will be allowed to compete in a maximum of 3 events (not including the relay).

Sports Day:

Silver Creek's annual Sports Day is on Wednesday, June 20th. Thanks to all of the volunteers and staff who make this a great day! We are still in need of volunteers. A volunteer sheet will be sent home soon.

Principal's Message:

What a great year! I cannot believe the summer is just around the corner. June is going to be an action-packed month with field trips and fun days such as Sports Day. This is an easy time of year to allow your child to stay up later than usual. Please ensure they get enough rest and have a decent sleep.

Recently I read an article from kidshealth.org and I found the following excerpt interesting.

*"There's no magical number of hours required by **all** kids in a certain age group. Two-year-old Sarah might sleep from 8:00 PM to 8:00 AM, whereas 2-year-old Johnny is just as alert the next day after sleeping from 9:00 PM to 6:00 AM. Still, sleep is very important to kids' well being. The link between a lack of sleep and a child's behavior isn't always obvious. When adults are tired, they can be grumpy or have low energy, but kids can become hyper, disagreeable, and have extremes in behavior."*
