Principal's Message:

What a great year! I would personally like to thank everyone for his or her support of the growth plan. We have made such progress with our goal of becoming a school with an outdoor focus! This year we were able to celebrate the many opportunities for kids to be and learn outside!

Behind all of the success this year are the dedicated and energetic teachers and staff at Silver Creek and a PAC who have given countless hours of their free time. Our PAC is incredibly active and supportive of all of Silver Creek's goals. Sincere thanks to each of you! A special thanks goes to Diana Gilbert who has been the PAC president for many years. She will be moving on with her kids to HSS.

To the parents of Silver Creek, we express our admiration and appreciation for your cooperation and support. We have tried to make the education the best possible at Silver Creek.

Congratulations to all of our students on their successful completion of the school year but especially to the Grade 7's. They will be moving on to the high school and will be missed but you will always represent Silver Creek.

Have a great summer! See you in September.
